Project Name	iRobot
Testing Type	Positive Testing
Test Prepared By	Tatsiana Lentz
Test Prepared Prepared date	05/31/2024
Test Executed By	Tatsiana Lentz
Test Execution Date	05/31/2024

Device	Lenovo laptop
OS	Windows 11 Home
Version	23H2
Browser	Google Chrome
Browser Version	125.0.6422.113

Prerequisites	Enter https://www.irobot.com/ in the browser and open the iRobot website

Test ID	Test Priority	Module Name	BR ID	Test Title (REQ)	Steps Description	Test Data	Expected Results	Actual Results	Status Pass/Fail
TC001	Highest	User Account Registration step 1	BR001	Validate that registration is available for user with valid Email and password	1. In the header click on "Login" sign 2. Click on "Create account" 3. In the field "First name" enter (Mike) 4. In the field "Last name" enter (Miks) 5. in the field "Email address" enter (sotodig265@crodity.com) 6. In the field "Password" enter (Aa1234567890!) 7. In the field "Confirm password" enter (Aa1234567890!) 8. In the field " Country" choose (United States) from a drop down menu 9. Check all the boxes (4 total) click "Create Account" 10.Need to follow with TC-002 to complete this task	1. First name : Mike 2. Last name : Miks 3. Email : sotodig265@crodity.co 4. Password: Aa1234567890! 5. Country: United States	User should be redirected to a page with a message "Enter the code sent to: (email address)	User is redirected to a page with a message "Enter the code sent to: (email address)	Pass
TC002	Highest	User Account Registration step 2	BR002	Validate that registration is available for user with valid code	1. TC-001 needs to be done first! 2. In the field enter code that was sent to email used for registration (sotodig265@crodity.com) 3. Click "Verify" button	Verification code was sent to email used for registration of the account (code received :842099)	User should be redirected to a new page "My Account"	User is redirected to a new page "My Account"	Pass

					Steps	Test Data	Expected Result	Actual Result	Status
TC003	Highest	Adding address in users account	BR003	Validate that user is able to add address for his account	1. Homepage in the header click "Login" sign 2. In the field "Email" enter valid email (sotodig265@crodity.com) 3. In the field " Password" enter valid password (Aa1234567890!) 4. Click "Login" 5. Under "Address book" click on "Add new" 6. In the "Address Title" field enter valid title (Home) 7. In the First and Last name field add valid name used in registration (Mike Miks) 8. In the " Address 1" field enter valid address (11781 Bandera Rd, San Antonio, TX 78250) 9. In the "Phone Number" field enter valid number (210-647-7268) 10. Click "Save"	1.Email:sotodig265@crodity.com 2.Password:Aa1234567890! 3. First name : Mike 4. Last name Miks 5. Address Title : Home 6. Address 1: 11781 Bandera Rd, S 7. Phone number: 210-647-7268	User should be able to add address to his account. After entering Address information user should be redirected to new page "Home(default address)" and his address should be displayed in the box.	User is able to add address to his account. After entering Address information user is redirected to new page "Home(default address)" and his address is displaying in the box.	Pass
